SAFETY MISSION STATEMENT

Our employees are Jasper Group's most valuable assets. It is our goal that every person is provided a safe, healthful, and secure place to work. Our goal is oriented toward establishing and maintaining a total safety culture in which:

- > Safety and health of employees is a core value
- > Injuries are preventable
- > All employees share a responsibility for safety, health, and security
- > Every reasonable effort is made to prevent injuries and preserve health

Jasper Group's success does not only depend on quality and productivity, but also how safely every job is performed. There is no job so important or any service so urgent that it should not be done safely. Our ultimate goal is to not injure anyone.

Safety Goals

- > Gain SHARP status at all plants
- > Reduce restricted duty days by 50%
- > Design workstations to eliminate or minimize injury potential
- > Get all employees involved in safety

Action Plan

- > Invite INSAFE for annual consultation
- > Identify light duty jobs and work in conjunction with IMED and ARI to speed recover time
- > Perform Job Hazard Analysis and worksite inspection to identify injury possibilities/causes and work with employees to eliminate hazards

Michael J. Elliott
Chairman of the Board, CEO and President
